

EU Declaration of Conformity

Finish Thompson Inc. hereby declares that the following machine(s) including their component parts with food contact:

Type of Device:

Horizontal Centrifugal Transfer Pumps

Models:

TAC4STS

TAC5STS

TAC5RTS

TAC5HTS

TAC6SJS TAC6HJS

TAC8SJS

TAC8HJS

including their component parts with food contact comply with the provisions of:

- EC Directive 1935/2004

We certify that, if used as intended, the processed foodstuffs are not harmfully influenced by the materials used in our pumps. The materials do not emit substances which could be hazardous to health or harmful to foodstuffs.

The material surface of our pumps consist of 316 stainless steel, elastomeric components made of Buna-N, seal faces consist of ceramic and carbon graphite, which comply with the requirements of the American Food and Drug Administration (FDA), Code of Federal Regulations (Food and Drugs), 21 CFR Part 177.1550 and Ordinance (EC) 1935/2004.

This declaration is valid provided that the devices are fully assembled and no modifications are made to these devices.
